

A Robert Trent Jones Sr. Design

OPEN TO THE PUBLIC

Set in the rolling countryside of the Hudson River Highlands of Dutchess County, The Casperkill Golf Club offers the ideal golf experience. Built in 1944, we offer a classic Robert Trent Jones challenge rated four stars by Golf Digest. You will understand precisely why after playing here... amidst tranquil ponds, magnificent ancient oaks, and the meandering Casperkill Creek. The course graciously makes use of the rolling hills with elevated tees, manicured valley fairways and well-bunkered, terraced greens that make each round a new challenge.
